

ATTENTION PARENTS!

"Our son found it difficult to concentrate at school, was easily distracted and unable to focus on his work. But after training in the martial arts of Aikido he has greater confidence, improved focus and more discipline. Plus his grades at school have improved!"

Discover the Hidden Secrets to Developing a More Focused, Confident, Self-Disciplined and Physically Fit Child.

What your child will learn in our classes:

- RESPECT for themselves and others.
- DISCIPLINE to persist with and achieve their goals.
- CONCENTRATION. Greater focus and awareness leading to improved grades.
- CONFIDENCE to try new activities and meet new friends.
- FITNESS. A fit and healthy body = a fit active mind.
- SELF-DEFENCE. They will learn skills that may save their life.
